I agree

The scheme may be tried in other  
District also. The TC may be  
addressed, if the members agree. It  
will not be a bad trial. It will  
be a good trial in the Reg. Dist. It  
is nothing of a hazardous nature  
in it. No loss will occur even if  
it should prove a failure.

MEDICAL AID IN RURAL AREAS

141-26-1

Sir,

I have the honour to state that there is a provision of Rs. 1500/- in the Budget of the District Board of Mysore for 1926-27 for sanctioning allowances to four retired Sub Assistant Surgeons at Rs. 25/- each per mensem with a small grant towards the cost of medicines so as to induce them to live in selected interior places of the District where medical aid is not readily available. The places selected for the purpose are Basaral (Mandya Taluk) Santebachahally (Krishnarajapet Taluk) Halagur (Malavalli Taluk) and Bindiganavale (Nagamangala Taluk).

The Senior Surgeon was requested in this office letter No. C. 811 L.B. dated 27-10-1926 to obtain sanction of the Government to the above scheme as the utilisation of the budget provision was subject to the previous sanction of the Government being obtained.

The Senior Surgeon then ascertained whether the District Board were willing to raise the allowance to any higher amount and to provide free quarters as most of the passed medical pupils were not willing to accept Rs. 25/-. The Senior Surgeon proposed that the allowance might be fixed at Rs. 35/- per mensem.

*[Handwritten signature]*

The District Board at their meeting held on 11-12-1926 resolved that they agree to give a medicine chest costing not more than Rs. 300/- free to each such medical man to start with. The Board resolved further that sanction of the Government be obtained to the scheme so as to advertise for men and try the scheme as they feel that when publicity is given there will be applications forthcoming from passed pupils or retired medical men of the neighbourhood".

The above resolution was communicated to the Senior Surgeon with a request that sanction may be obtained so that this novel scheme may be tried as an experiment. He was also informed that two applications had been received.

The Senior Surgeon has now stated in his letter No. C. 1273-14 dated 7-1-1927 that he made individual enquiries of all the passed medical pupils and that they replied that they cannot accept posts on Rs. 25/-. He therefore proposes that the allowance may be raised to Rs. 35/-.

The above is the summary of the correspondence that has taken place in the matter between this office and the Senior Surgeon. It was remarked at the last meeting of Deputy Commissioners and Heads of Departments that the result of the working of this scheme in this District would be watched.

The main object of the District Board is to give ~~the~~ a trial to this scheme in order to give medical relief in the interior parts which are not within the ~~easy~~ easy reach of the existing medical institutions. It is not quite necessary that passed medical pupils awaiting employment should alone be entertained. It will be even better if retired Sub Assistant Surgeons can be induced to settle down in these localities. Unless and until the scheme is sanctioned by the Government and advertised widely it cannot be definitely said that the

*Bm*

the services of retired Sub Assistant Surgeons cannot be procured on the terms offered by the Board. An application from one Mr. M. Greenivasa Rao retired Sub Assistant Surgeon of Tarikere has already been received agreeing to serve on Rs.25/- per mensem and a copy of this is enclosed.

In these circumstances I request that gracious sanction of the Government may be kindly obtained early to the scheme as detailed above. The question of raising the allowance to Rs. 35/-<sup>will</sup> be considered if after due advertisement retired Sub Assistant Surgeons cannot be secured for the purpose. It is difficult to provide free quarters to start with.

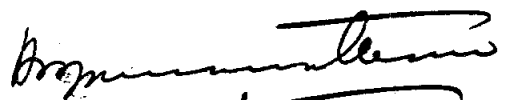

Copy of resolutions of the District Board passed at their meeting held on 25-4-26 and 11-12-26 are herewith submitted.

As six months have already expired in the current year, I request very early orders of the Government in the matter so that the scheme may be tried during the remaining portion of the current year.

I have the honour to be,

Sir,

Your most obedient servant,

  
President, District Board

Mysore District.

Para 16 of the Govt. order No.I. 2556-7/L.B.125-25-43 dated 9th September 1926 relating to the Budget Estimates of the Mysore District Board retaining the provision of Rs.1,500/- made by the Board subject to formal sanction in due course in order to create medical facilities in the interior parts of the District which are not within the easy reach of existing medical institutions by grant of contributions to four retired Sub Assistant Surgeons who agree to live in localities to be selected by the Board as an experimental measure.

2. Letter No.C.911 L.B. dated 16th/18th January 1927 from the President, District Board, Mysore submitting his proposals in the matter .

Order No.L. 5545-62/103 141-26-2

Dated, 14th Feb 27, the 9th Feb 27

The President states that the Senior Surgeon who was consulted in the matter wants that the allowance might be raised to Rs.30/- per mensem and that the men might be provided with free quarters as most of the medical pupils were not willing to accept Rs.25/- per mensem proposed by the Board; that the Board considers that it is unnecessary to employ passed medical pupils alone for the work.

~~pupils alone for the work.~~ that it would  
be better to induce retired Sub Asst.  
settle  
Surgeons to ~~sixx~~ down in these local  
ities; that an application has already  
been received from a retired Sub Asst.  
Surgeon agreeing to serve on Rs.25/- per  
mensem; that sanction of Government may  
wherefore be given to the proposal of the  
Board who have also agreed to give each  
such medical man to start with a medicine  
chest costing not more than Rs.300/- and  
to advertise for men and try the scheme  
in the 4 centres selected by the Board  
namely (1) Basaral (Mandya Taluk) (2)  
Antnebachahalli (Krishnarajpet Taluk)  
(3) Halazur (Malavalli Taluk) and (4)  
Bindinganvale (Nagamangala Taluk). The  
President also states that the question  
of raising the allowance would be con-  
sidered if, after due ~~advertis~~ advertise-  
ment, retired Sub Asst. Surgeons cannot  
be secured for the purpose; that it is  
difficult to provide free quarters to  
start with and that further applications  
have been received for the appointment.

The proposals of the Board are sanctioned.  
Government consider that the scheme may be  
tried in other Districts also. The  
Presidents of the other District Boards  
are requested to place the matter before  
the Board and send suitable proposals -  
very early.
